Certificate

Supplier Award 2010

Trips GmbH

has been awarded the

Siemens Breakthrough / Innovation Award 2010

for technological leadership, sustained innovations
and readiness for strategic technological cooperation.

Feldafing, October 18th, 2010

Barbara Kux

**Member of the Managing Board
Siemens Aktiengesellschaft**

Siemens AG congratulates Trips GmbH on the „Siemens Breakthrough / Innovation Award 2010“ and explicitly allows Trips GmbH to publicly communicate the receipt of the award and to reference the award in its press releases, on its website and in advertising material like customer magazines, under the following conditions: When referencing the award, Trips GmbH shall not deceive a third party with regard to the nature or extent of its relationship to Siemens AG. The award shall only be referenced under its full name including the year of receipt. When referencing the award, Trips GmbH shall not use the logo of Siemens AG. The award shall not be referenced on letter paper or on products. Trips GmbH shall not reference the award in a way or in a situation that could negatively affect the reputation of Siemens AG. Upon request by Siemens AG Trips GmbH shall stop referencing the award in its public communication.
